Factory-Stained Interiors

Our optional factory-stained pine or oak interiors feature two Clear Satin top coats for a beautiful, long-wearing finish. Best of all, they cost up to 50% less than staining them yourself.

- Five-step factory finish is applied to components prior to assembly for maximum coverage and protection
- Wood is stained and sealed on all surfaces—not just the top and sides—to seal out moisture
- Windows and doors arrive prefinished and ready to install—no additional work required
